

## Support

### Subscriber Support

So you have wandered into a NomadISP HotSpot and feel a bit lost?

We

are here to help. If you are are a NomadISP-enabled Location [Click Here](#) to be redirected to our login page. For connection assistance see our connection guides below:

### Windows XP Connection Guide

Anybody with an 802.11b or g compatible wireless device such as a laptop or PDA may connect to a NomadISP wireless hotspot. This may be accomplished while visiting any NomadISP-enabled location {[Link: Location Map](#)}. Registration is easy; there are no obligations, contracts or in many instances connection fees, although user duration limits may vary between NomadISP-enabled locations. We ensure a hassle free surfing experience.

If you feel that your browsing experience is less than adequate, we would like to here from you. Please include the date, time and location you used used NomadISP's wireless service.

### User Tools

Your internet surfing experience is dependent on several factors. One of the most significant is the overall health of your PC. We recommend the following tools to increase system performance and to increase your wireless connection reliability.

### Download Ad-Aware 2007

### Download Avast Antivirus Home Edition

### Owner Support

Our direct owner support line is currently available 7 days a week. 8AM - 5PM MST.
